CIRI DESCENDANTS will receive a Descendant ID card!

Who can get a CIRI Descendent Identification (ID) Card?

Direct lineal Descendants (e.g., the children, grandchildren, great grandchildren, etc.) may receive a Descendant ID Card, once the relationship to a CIRI Shareholder is established and is confirmed by the Shareholder Relations Department.

Why identification cards?

- Use the card to check in at CIRI events.
- Present the card to vendors and Shareholder and Descendant business owners that provide Descendant discounts. Additional information can be found on CIRI.com.
- The cards indicate whether the bearer is a direct lineal Descendant of an Alaska Native CIRI Shareholder and may assist in proving eligibility to receive services from various agencies and organizations.

Keep your information current with CIRI.

CIRI regularly distributes electronic communications to Descendants, including:

- The Raven's Circle newsletter.
- Announcements regarding items of interest such as educational and training opportunities.
- Job opportunities.
- Upcoming events and new programs and services.
- CIRI may also send mailings regarding other important topics to Descendants.

If any of your contact information is incorrect or has changed, please contact CIRI Shareholder Relations as soon as possible at:

- Phone: 907-263-5191 or 1-800-764-2474
- Your **Qenek Portal**
- Email: shareholderrecords@ciri.com.

If you send an email, please note that you are a Descendant and be sure include your full name and a working phone number in your request so that we may contact you if we have any questions.

If you lose or damage your ID Card

You may request a new one by contacting Shareholder Relations. If your name changes, simply provide Shareholder Relations with the legal document(s) substantiating the change to have a replacement card issued free of charge.
