Cook Inlet Tribal Council's The School Yard Enhancement after-school program is a blended learning and credit recovery/advancement program serving Alaska Native/American Indian students 12–19 years of age through tutoring, mentoring, and STEM skills-building opportunities. Students learn through workshops and group projects, video-game design/development, community field trips, and educational summer and school-break camps. The program also provides academic enrichment and accelerated class opportunities toward high school completion and/or college enrollment. CIRI will donate \$1 to The School Yard Enhancement program for every Shareholder with a valid proxy (for any proxyholder or candidate) on file by the proxy deadline (2 p.m. AKDT, Wednesday, May 24, 2023).

Prize Rules:

1. Turning in more than one proxy does not increase a Shareholder's odds of winning a prize.
2. Annual Meeting prize drawing deadlines are May 5, May 12 and May 19. Shareholders whose valid proxies (for any proxyholder or candidate) are submitted via eVote or received by the Inspector of Election c/o Sramek Hightower by 5 p.m. AKDT on the deadline date for a particular drawing will be eligible for that drawing and for all subsequent drawings.
3. The eVote prize drawing deadlines are May 5, May 12, May 19 and May 23. Shareholders who submit a valid eProxy (for any candidate) no later than 5 p.m. AKDT on the deadline dates are eligible to participate in the eVote prize drawings.
4. Shareholders are only eligible to win one eVote prize and one Early Bird Prize.
5. CIRI Board members, Board candidates, corporate, subsidiary or nonprofit officers, and their spouses, are not eligible for the prize drawings.
6. All prizes will be reported to the Internal Revenue Service by CIRI on the appropriate tax form on or before Jan. 31, 2024. Shareholders are responsible for applicable state and federal taxes.

IF YOU GIVE YOUR PROXY TO ANYONE OTHER THAN THE INSPECTOR OF ELECTION, BE SURE TO ASK THAT IT BE SUBMITTED TO THE INSPECTOR OF ELECTION BEFORE THE NEXT PRIZE DEADLINE. Proxies submitted via eVote by a particular deadline will be considered to have been received by the Inspector of Election at the date and time of the successful electronic submission.
