

Shareholder Identification Card Request

New shareholders and existing shareholders whose stock has been reissued due to a name change, date of birth correction or a change in voting rights automatically receive new identification cards; there is no need to complete this form.

Existing shareholders who have lost or damaged their identification cards and who have shareholder portal accounts may request replacement cards via [Qenek](#). Alternatively, shareholders who have lost or damaged their cards may request a replacement by filling out this form and returning it to CIRI.

Identification cards are mailed on a quarterly basis, shortly after dividends are mailed. **Please sign your card immediately upon receipt. The identification number that appears on your card should be treated in a confidential manner and not shared.**
